Hearing Content

- The main role of the World Heritage Committee.
- About the World Heritage Site of Guanajuato
- Efforts system of World Heritage conservation of Guanajuato
- About system (rules and regulations) related to the conservation of World Heritage Guanajuato.

In Cervantino!!

In Cervantino!!

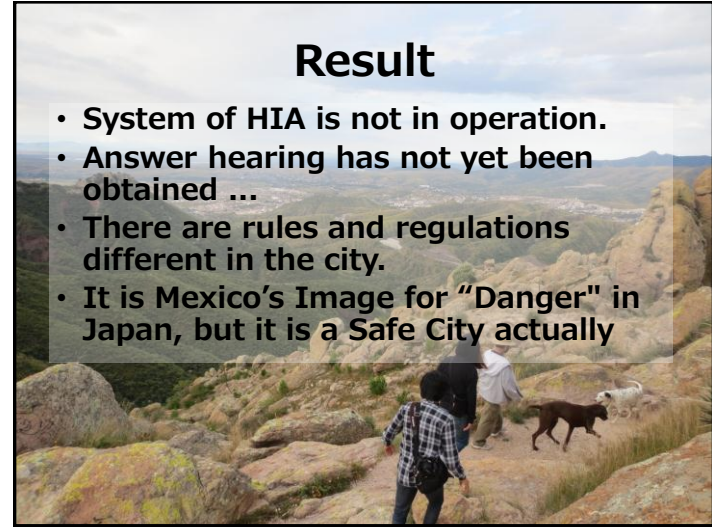

In Cervantino!!

Result

- System of HIA is not in operation.
- Answer hearing has not yet been obtained ...
- There are rules and regulations different in the city.
- It is Mexico's Image for "Danger" in Japan, but it is a Safe City actually

Discussion • Conclusion

- It does not operate a HIA in Guanajuato. So that it does not infringed the Cultural Heritage already, Because it is regulated by various Laws and Regulations.
- During Cervantino, than the Environmental Conservation activities, placed the Emphasis on Security Duty.
- Even though Security Measures, it is much Thief.

¡Muchas Gracias!
